## Fire Destroys Fayette Drive-in East of Here On CCC Highway

FLAMES RAGE THROUGH THE Fayette Drive-in on the CCC Highway early Thursday morning before daylight. By morning only smoldering ruins were left around the still-standing chimney. (Record-Herald photo)

A fire of undetermined origin destroyed the Fayette Drive-in (better known as the Fireside-in) on the CCC Highway about 12 miles east of here early Thursday morning (today).

James Mead, owner of the restaurant, estimated the loss at about \$25,000, of this, \$10,000 was covered by insurance, he said.

For many years, the Fireside-in was a popular rendezvous for

teen-agers from Washington C. H., Mt. Sterling, Madison Mills, Bloomington and surrounding communities.

Mead purchased the place along with a motel unit about 10 months ago.

Mead, who lives in one of the cabins, discovered the fire a little after 2 A. M.

The flames had eaten into the telephone lines and he had to

drive in to Mt. Sterling to summon the fire department there.

The blaze was raging out of control when the firefighters arrived on the scene and the lack of a water supply kept them from doing much, other than stand by to see that the fire did not spread to a near by field or to the cabin unit.

The fire burned till sometime after 5 o'clock this morning. During the height of the fire a dull red glow could be seen from the outskirts of Washington C. H.

Not everything was lost during the blaze. A Mt. Sterling policeman, who was helping direct traffic, spotted a "drunk" and notified Max Brinkles, highway patrolman. Upon checking, Brinkles found the man, Charles (Junior) Shelpman, was wanted by the Washington C. H. police. They had been hunting for him for the past three months. Sheriff Orland Hays brought him in to the police station here.

## County Gets \$51,967 From State To Allot To Local Subdivisions

The proposed allocations of local government funds for the last six months of 1951 made by the Fayette County Budget Commission, has been announced by County Auditor Ulric T. Acton.

Acton said all city, village and township officials have been invited to attend a meeting at the common pleas court room Sept. 17, at 1:30 P. M., in connection with

the allocations made to the various districts.

The total distribution for the last six months reaches \$51,967.33. Of this amount, \$22,289.12 was set aside for the Fayette County general fund.

Washington C. H. receives \$19,140, which includes \$1,050 set aside for the county Board of Health.

In this connection, it is explained by Auditor Acton, that several months ago a meeting was held at which a request was made that funds be set aside to help the Health Department. Acton said these funds will be sent directly to the Board of Health.

In addition to the \$1,050 from (Please turn to Page Twenty)

## Alaska Squadron Grounded after Series of Crashes

WASHINGTON, Sept. 13 —(AP)—A naval air squadron in Alaska has been grounded by the navy for "morale reasons" after a series of recent air crashes there.

Word of the action was given to Rep. Mitchell (D-Wash.) today in a letter from Francis P. Whitehair, under secretary of navy.

Whitehair said a special board of inquiry is investigating the accidents.

Mitchell recently requested the navy ground all navy Privateer bombers pending a check into the circumstances of four crashes in the Alaska area. The crashes claimed a total of 45 lives.

Whitehair in formed Mitchell three of the crashes involving Privateer bombers were suffered by Patrol Squadron 9.

## Meanderings

By Wash Fayette

They're still kidding an East Elm Street resident about the batch of so called "sweet corn" he gave to a neighbor.

When he gave a neighbor several ears, the surprised friend remarked: "Why this is popcorn."

The gardener hurried to his field to find that every ear of corn on the field looked just like that which he gave his neighbor. He had planted the entire field in popcorn.

This has been an unusual season in some respects, and nature has responded with some freak things.

For instance, a number of persons have reported flowers of various kinds blooming twice during the season.

Some of these have been flowers that ordinarily bloom only in the spring. Others have been flowers which bloomed in the spring when they were supposed to bloom late in the summer.

One of the latest of these is reported by Mrs. Lizzie Allen of West Lancaster, and is a profuse blooming of clematis, which Mrs. Allen reported had bloomed last spring. Some "Lady of the Lake" flowers also bloomed early and followed up with a second showing of blossoms.

Some of the spring blooming roses also have decided to strut their stuff a second time, and are showing buds or flowers.

## Democratic Boss Again Linked in RFC Influence

Call to White House For Lithofold Head Bared by Witness

WASHINGTON, Sept. 13 —(AP)—A witness swore today the head of American Lithofold Corp. asked him to "call the White House in an effort to get some high influence" in favor of a government loan for the firm.

The witness was E. J. Toole, former treasurer of Lithofold, a St. Louis printing firm. He testified in a Senate investigation of the charges that William M. Boyle, Jr., Democratic national chairman, wielded political influence on the RFC.

Toole identified an extract from a diary in which he noted his connections with the loan application. The passage read:

"Haven't heard from RJB since last Thursday, when he was pressing, yes insisting, on having Cecil Green call the White House in an effort to get some 'high influence' used to accelerate the approval of our loan."

"I wouldn't do it, and Green agreed not to do it. As I told him we had been receiving complete cooperation from the RFC (Reconstruction Finance Corporation) officials."

Toole identified "RJB" as R. J. Blauner, then president of Lithofold, and said the conversation took place Feb. 3, 1949.

Earlier, an RFC official swore Boyle never pressed him to approve loans for the St. Louis firm. Doesn't Even Know Him

In fact, said the witness, J. Frank Williams, he doesn't even know Boyle.

Williams is the Reconstruction Finance Corp. examiner who approved \$645,000 in RFC loans to the American Lithofold Corp. The St. Louis firm had failed three times to get loans from the gov- (Please turn to Page Two)

Bookie Harry Gross Still Unperturbed

## Gambler, Graft Payer Caught; Day at Races Costs \$25,000

NEW YORK, Sept. 13 —(AP)—Gambler Harry Gross, urbane and grinning after his one-day flight from his cop guards, was shuttled through legal proceedings today to put him back on tap as star graft case witness.

Brought back from New Jersey where he had spent a leisurely day at the races, he was hustled before a U. S. commissioner to answer a federal fugitive warrant issued after he disappeared.

Commissioner Martin C. Epstein dismissed the federal charge so as to formally return Gross to custody of the state, which has billed him as chief, prosecution witness in its gambling-graft trial of 18 policemen.

Before the federal commissioner, Gross was in jovial, wise-cracking mood. Asked if he were the missing man, he grinned wryly and said, "I guess I must be."

Gross' attorney said he will seek to vacate an order--issued after Gross vanished -- forfeiting the gambler's \$25,000 bail. But District Attorney Miles F. McDonald said he will fight any attempt to restore the bail.

"I want to hold this guy," the prosecutor said.

McDonald said any possible

bailing of Gross again will be up to Kings County Judge Samuel S. Leibowitz who ordered the \$25,000 bail forfeited.

Gross told the FBI in Atlantic City he had not fled to avoid tes-

his police guard for "a walk in the sun."

Gross was arrested at the Atlantic City racetrack late yesterday as police throughout the nation were hunting him.

Nonchalantly cashing tickets at the \$100 window, the hefty 85-year-old betting king asked, "What have I done?--I just felt like getting away for a few days."

"It was only a walk in the sun," he told newsmen after waiving a hearing in New Jersey on FBI charges of fleeing to avoid testifying.

The mass trial was postponed until tomorrow.

Chatting and amiable after being picked up at the race track, Gross said he could not understand all the fuss over "just a bookie case."

"They'll parlay this thing into a three-ring circus," he added. "I'm not a fugitive. If I didn't turn up for sentencing, that would be one thing but I'm out on bail. That's \$25,000. I'd only be hurting myself if I didn't show up."

Gross said he got tired of having the police around and just walked out his front door and got into his Cadillac convertible to travel across 180 miles of the most congested roads in New York and New Jersey.

## Cattle Rustlers Active in Ohio

'Filthy Slaughter' Done by Moonlight

CINCINNATI, Sept. 13 —(AP)—Slaughterers who kill cattle at night and truck the uninspected meat away in "filthy conditions" are operating a "vicious black market" in southern Ohio, and Office of Price Stabilization official said yesterday.

William J. Dammarell, OPS enforcement officer for 21 counties, called them "moonshine slaughterers." He said their operations are similar to those in World War II when the price of meat was controlled by the former Office of Price Administration.

They kill cattle at night in streams so the evidence will be washed away, he said. The meat is trucked away to the back doors of operators who sell it.

Dammarell made the statement here yesterday after a criminal information charging a New Boston (Scioto County) meat operator with having ungraded meat in his store was filed in U. S. district court.

Dammarell did not say the operator, Paul Cochran, obtained his meat from the "moonshine slaughterers." He said Cochran's sources of supply still are under investigation.

## Inferior Gasoline For Cars Likely

ATLANTIC CITY, N. J., Sept. 13 —(AP)—The nation's motorists are faced with the prospect of unsatisfactory gasoline, a petroleum defense official predicted last night.

C. E. Davis, director of refining of the Petroleum Administration for Defense, issued the warning in an address to the National Petroleum Association.

He said unless the refining industry is allocated more primary lead and lead scrap, tetraethyl lead needed for the anti-knock quality of gasoline would be drastically curtailed.

## Black Market Aid to China's Reds Halted as Fantastic Plot Smashed

HONOLULU, Sept. 13 —(AP)—American postal authorities have smashed a fantastic black market money ring that diverted \$32,000,000 in American dollars to Communist China for the purchase of war scarce materials.

Federal Postal Inspector R. Frank Ogden of Honolulu worked undercover for eight months in the Orient to expose the complicated financial operation.

A veteran of 24 years in the postal service, he trapped a counterfeiting gang in Manila by order-

ing 500 fake money orders.

Ogden said the money juggling scheme was the largest in post office history.

The ring worked with U. S. postal money orders, federal checks and military payment certificates. The money orders were altered upwards, and later counterfeited. Signatures on treasury checks and certificates were forged.

Ogden said Chinese Red agents bought the money orders outside post offices in Manila at a 25 percent markup. They stood the expense in Filipino pesos to get the more valuable American dollars without which they were unable to get the goods they wanted.

On the counterfeit money orders, Ogden said Hong Kong banks stood most of the loss. He said the U. S. Government didn't lose a penny.

The U. S. Government halted the plot last Jan. 31 by eliminating the postal money order business between the U. S. and the Philippines.

The Communist scheme began in Manila. On May 20, 1950, the Philippine government cracked down on the sale of money orders (Please turn to Page Twenty)

## Hornet Sting Fatal to Man

RYE, N. Y., Sept. 13 —(AP)—A single hornet sting caused the death yesterday of 28-year-old Charles Pilger of Valhalla, N. Y.

Pilger, scything weeds along with two other utility company employees, slashed into a nest of hornets.

Calling out, "I've been stung," Pilger ran some 400 feet to a roadway, collapsed and died.

Dr. David M. Spain said the victim had a rare allergy to the poison of the sting. Death resulted from suffocation due to the swelling of the larynx, Spain said.

## Allies Advance In Bitter Fight On East Coast

Truce Negotiations Clogged by More Commie Prattle

By JOHN RANDOLPH  
U. S. EIGHTH ARMY HEADQUARTERS, Korea, Sept. 13 —(AP)—Allied troops wounding bayonets and flame-throwers Wednesday captured six strategic peaks in bitter fighting on the mountainous eastern Korea front.

The sharp local clashes raged along a 50-mile line from the Kumsong area to the vicinity of Kansong on the Sea of Japan, about 25 miles north of Parallel 38.

The fighting pushed Allied positions forward as much as three and one-half miles in some sectors.

Die-hard Reds fought from stone bunkers that usually had but one opening--the firing port facing the oncoming Allies.

The fighting was a continuation of the Allied limited objective offensive, launched four days ago against Red-held heights in the rugged country on 2,000 to 4,000-foot peaks.

Action on the western front was slow. Allied patrols maintained a sharp lookout for signs of a strike from the bearded-up Red forces there. The main body of Allied troops in the west made minor adjustments of its line.

AP Correspondent Stan Carter reported that at least 250,000 tank-supported Communist troops were believed in position on the western and west-central fronts for a possible thrust at Seoul, South Korean capital.

He said there are no signs that a Red smash is imminent but that there was speculation the Communists might try a drive this weekend, when the Korean moon is full. In the past, Reds have chosen the nights of full moon for attack.

## Lovett Carries on In Marshall's Job

WASHINGTON, Sept. 13 —(AP)—Robert A. Lovett began today to "get on with the job" of secretary of defense which he inherited from his longtime partner in government service, George C. Marshall.

Because the two men--the 56-year-old banker and the 70-year-old five-star soldier--had worked together so long in the Pentagon and State Department, it seemed probable the policies and personnel of the vast military establishment would undergo little change.

Lovett, in talking to reporters after President Truman had announced Marshall's resignation and his nomination as the new defense chief, said the general wanted no fuss about his leaving and that "we get on with the job."

"That we will do," said Lovett as he became acting director of the government's biggest department pending expected confirmation by the Senate of his nomination.

## Czech Planes Put Under Ban

FRANKFURT, Germany, Sept. 13 —(AP)—The Allied high commission has barred all Czech airline flights across West Germany, high commission officials disclosed today.

Officials gave no reason for the action.

An American official said the United States, Britain and France had concurred in the joint action in barring the Czechoslovak plane flights, effective last Tuesday midnight.

Asked whether the decision had anything to do with the case of William Oatis, Associated Press correspondent, who was sentenced to jail by the Czechoslovaks for 10 years on spy charges, he answered "no comment."

The inquiry was prompted by a dispatch Aug. 16 from Washington which said the State Department was studying a plan to bar the Communist country's planes from flying over the U. S. zone.

## Late Bulletins

WASHINGTON, Sept. 13 —(AP)—Gov. Thomas E. Dewey, leaving a 40-minute conference with President Truman, called today for "much closer political and military alliances" among free nations in the Pacific.

WASHINGTON, Sept. 13 —(AP)—The government today set up a super-priority to break bottlenecks in urgent military and atomic programs.

LONDON, Sept. 13 —(AP)—Britain announced tonight she had signed a contract to buy 1,000,000 tons of grain from Russia.

LONDON, Sept. 13 —(AP)—Britain today stopped British ships from delivering any cargoes to Iran.

## Scholarship Awarded To Youth from Sabina

DELAWARE, Sept. 13 —(AP)—Marcus E. Powers of Sabina, route 1, in Clinton County has won a \$2,100 scholarship in the New York University School of Law, Ohio Wesleyan University announced today.

Powers is one of two men selected by a committee of the sixth circuit of the U. S. Court of Appeals from a large field of candidates. The circuit includes Kentucky, Michigan, Ohio and Tennessee. Powers is the son of Mr. and Mrs. Fred A. Powers of Sabina.

## No Action on UMT Is Likely This Year

WASHINGTON, Sept. 13 —(AP)—Rep. Vinson (D-Ga.) said today he sees no possibility of congressional action this year to set up a Universal Military Training (UMT) program, unless Congress foregoes its plans for adjournment early this fall.

And the chairman of the House Armed Services Committee added that he expected no such move now.

## Beauty Pageant 'Fix' Charge Denied

ASBURY PARK, N. J., Sept. 13 —(AP)—Three judges of the Mrs. America contest say selection of Mrs. Penny Duncan of New York City was proper.

Replying to charges by movie actor Wendell Corey that the choice was prearranged and his vote and that of other judges for Mrs. Central Florida, Peggy E. Creel, was ignored, the three last night defended the method of picking Mrs. America.

Illustrator Russell Patterson,

said he personally had judged over 5,000 contestants and "the system used at the Mrs. America contest is the fairest and the true winner was selected."

"I personally voted for Mrs. New York City," he added.

Bert Nevins, managing director of the contest has denied any prearranging and called Corey's protest a "publicity stunt."

"Some personalities, who were in the judges box, although they were told they were judging only

25 percent of the contest, seemed to be personally jarred because of the fact that their particular choice was not selected," Patterson said.

He cited quotes from contest rules he said were distributed to the judges and contestants explaining that 12 judges voted on beauty of the contestants, 12 other judges in their home-making talents and members of the contest committee gave them point scores

# Earl Morris Is Killed by Truck on CCC

## Driver of Truck Held for Second Degree Manslaughter

Earl Morris, 50, a farmer, who lives on the Greenfield and Sabina Road southeast of Sabina, was killed almost instantly in a traffic accident on the CCC Highway a mile west of Sabina Wednesday afternoon.

Morris was riding a mowing machine, pulled by a team of horses, when a steel truck rammed a car and drove it against the mowing machine with terrific force.

Morris was hurled to the highway and sustained a broken neck and back. He died within a few minutes.

The mowing machine was wrecked and both horses were injured, one so seriously it was necessary to kill it.

Driver of the truck, owned by the Kaplan Trucking Co. of Cleveland, was Reid Huffman, 29, Charleston, Pa.

State highway patrolmen said the driver of the truck was traveling so fast that when the car ahead of it slowed down for the mowing machine, he was unable to slow down and rammed the car with great force, driving it against the mower.

Huffman was taken into custody and a charge of second degree manslaughter placed against him. He was placed in the Clinton County jail to await arraignment. His bond was fixed at \$3,000, which he had not furnished up to Thursday forenoon.

The car which was forced into the mowing machine was driven by George Atkin, 43, of Bay Village, Cleveland. It was badly wrecked. Atkin suffered bruises.

Morris is survived by his widow, a son, Vernon of Los Angeles; a daughter, Jean of Tucson, Ariz.; two brothers, Ralph of Sabina, Donald and his parents, Mr. and Mrs. David Morris of Sabina. Also three sisters, Mrs. Kenneth Weeks, Columbus; Mrs. Charles Kreitzer, Warren and Mrs. Dorothy Jessup, Columbus.

The Littleton Funeral Home of Sabina is in charge of arrangements.

Services will be held at the funeral home, Sunday at 2 P. M., and burial made in the Sabina Cemetery.

Friends may call at his late home after 7 P. M., Saturday.

ernment lending agency before Boyle went on his payroll.

Williams was the opening witness at public hearings before the Senate special investigations subcommittee, which is looking into charges that Boyle used political influence to swing the loans.

Asked by Chairman Hoey (D-NC) whether he had discussed the loans with Boyle, Williams declared:

"I have never had the pleasure of meeting Mr. Boyle or Mr. Gabrielson (Guy Hugh Gabrielson, Republican national chairman), either one."

He added he did know Max Siskind, Boyle's new partner, and E. Merl Young, a one-time frequent of the White House. A Senate Banking Subcommittee has named Young as a man with "unusual influence" of RFC loans.

Williams testified no one, including Siskind and Young, ever discussed the Lithofold loan with him.

## Red Drive Expected

(Continued from Page One)

The United Nations command has rejected all of a long string of Red charges except one. It has admitted the accidental strafing of the aKosong neutral zone Monday.

The Peiping radio quoted a Communist correspondent at Kaesong as declaring:

"The cease-fire talks could start again immediately and agreement could be reached in a short time if the Americans accepted the military realities" and took the responsibility for all the alleged neutrality violations.

The UN command for the moment was saying nothing. It would not even say what was in the latest Red note handed Allied liaison officers Wednesday.

The Allied officers had just handed the Reds a note apologizing for the accidental strafing of the Kaesong neutral zone by an Allied B-26 bomber on Monday.

The UN command has not made the Red note public, and has refused to comment on it.

The command usually releases copies of such notes as soon as they are received from the UN advance headquarters at Munsan.

Speculation grew that the communication might contain a new proposal—or a fresh complaint—from the Communist high command.

No choice treated shoats offered; eligible up to \$22; bulk \$16-\$18; demand slow; fat hogs, 200-240 20.10 net; 160 lbs 18.85; 240-260 19.85; 260-280 19.25; 280-300 18.75; 300-350 18.25; 350-400 17.75; 160-180 \$19; 140-160 16.50; sows all weights 16.80 to a top of 18.80; 115 head sold at auction; stages 14.75 down; boars for slaughter \$13.

CINCINNATI, Sept. 13 (AP)—(USDA)—From information available at 10:15 A. M.—Salable hogs 2,800; trading active; mostly 40 higher on butchers and 25 higher on sows; top 20.85 for few loads and lots choice 200-220 lb butchers; bulk choice 180-225 lbs 20.75; 225-250 lbs largely 20.50; 160-180 lbs 20.25; 20.50; bulk choice 300-350 lb sows 16.50-17.50; few under 300 lbs 17.75.

Cattle 500; calves 100; receipts practically all classes and grades slaughter cattle small; prices generally steady at week's advance; scattered lots good and choice slaughter steers and heifers under 1,000 lbs 32.50-\$36; very few above \$35 however; two loads 727-800 lb heifers bought to arrive at \$34-\$34.25; utility and commercial grass steers and heifers largely 23.50-\$30; canner and cutter cows mainly 17-22.50; most utility and commercial beef cows \$23-\$28.50; few commercial to good bulls \$29-\$30; some cutters, 800 lbs down, \$24; stockers and feeders scarce; vealers steady; heavy grass calves continued slow; most commercial to choice \$30-\$38; few prime \$39.

CHICAGO, Sept. 13 (AP)—(USDA)—Salable hogs 7,000; active; uneven;

most part, but the increasingly volatile September soybeans dropped more than 5 cents at one time. Other bean contracts also were weaker than the rest of the market.

CASH GRAIN  
CHICAGO, Sept. 13 (AP)—Cash wheat: No. 3 red 2.40; No. 2 hard 2.42; tough: No. 4 hard 2.20. Corn: No. 1 yellow 1.85; No. 3 1.82; No. 4 1.80; No. 5 1.75; sample grade 1.42-58; Oats: No. 1 extra heavy white 88; No. 3 heavy white 87.

Barley nominal; malting 1.30-51; feed 1.12-30. Soybeans: none.

Financial Market  
NEW YORK, Sept. 13 (AP)—Railroads provided most of the force behind today's advancing stock market.

The carriers were joined by a wide list of metals—gold, copper, zinc and aluminum.

There were plenty of backward areas, and a lot of scattered minus signs, that exercised a restraining influence on the market as a whole.

## Produce Market

CINCINNATI, Sept. 13 (AP)—Eggs, cases included, U. S. consumer graded. A large 67-71; A medium 59-61; B large 55-61; wholesale grades, extras large 55-61; current receipts 42-52; small 42-52.

Poultry, broilers and fryers, commercially grown 30-32; miscellaneous lots 27-31; heavy hens 24-25; light 21-22; old roosters 17-18; turkeys, young hens 38-41; young toms 34-37.

## Grain Market

CHICAGO, Sept. 13 (AP)—Demand dried up in the grain market today and there were enough selling orders around to push prices of all commodities lower.

## Cecilians Resume Meetings At Home of Mrs. Terhune

Cecilians opened the 1951-52 year of music festivities Wednesday evening at the beautiful new home of Mrs. Robert Terhune on Lincoln Drive. Mrs. Maurice Hopkins, the new president, presided over the short business meeting.

Plans were announced for the conference of the Middle West District, Ohio Federation of Music Clubs, to be held at the Washington Country Club on Wednesday, October 17, beginning with registration at 9:30 o'clock in the morning. A short business meeting will follow and a luncheon will be held at 12 o'clock.

There will be a program in the afternoon presented by this music club, with Mrs. J. Raakin Paul, general chairman, Mrs. Truman A.

Dunn, program chairman, Mrs. Harry Craig and Mrs. M. Grove Davis in charge of registration, and Mrs. Arthur Engle, decoration.

The executive committee will be hostesses along with all Cecilian members and reservations must be in by Monday, October 15.

Mrs. Hopkins announced two new associate members, Mrs. Edwin Buck and Miss Gay Warner, had been added.

Mrs. Donald Schwaigert was in charge of the first program of the new year on "Modern Music" and she chose composers, both American and foreign born, and the first one discussed was Claude Debussy. He is known for many selections such as "Clair de Lune" and "The Children's Corner Suite". Mrs. Schwaigert chose as a piano solo to show his style, "Arabesque". Paul Hindemith, the next composer to be studied, was of German birth. He wrote in a very modern style and Mrs. Schwaigert illustrated this with excerpts from his "March from 1922 Suite".

Aaron Copeland, an American composer, wrote the final solo in Mrs. Schwaigert's group for piano, entitled "Sentimental Melody" or "Slow Dance".

A group of modern numbers, "Shine on Harvest Moon," by Bayes and Norworth, "Embraceable You" by Gershwin and "Ain't She Sweet" by Agar and Mellen, were piano solos played by Miss Helen Louise Hynes.

A double trio composed of Mrs. Martha Armstrong, Mrs. Wayne Woodyard, Mrs. Weldon Kaufman, Miss Jean Everhart, Mrs. John Rhoads and Mrs. John Case, sang a group of numbers, "God Shall Wipe Away All Tears," by Caro Romo, and "Some Enchanted Evening" from "South Pacific," by Rodgers. They were accompanied by Mrs. Andrew Loudner.

Mrs. Marian Gage and Mrs. Andrew Loudner closed the program with the very modern number, "Sleigh Ride," by Leroy Anderson, arranged as a piano duet.

The hostesses served refreshments at the close of the program. Serving with Mrs. Terhune were Mrs. L. F. Everhart, Miss Kathleen Davis, Miss Jean Everhart, Mrs. Ralph Child and Mrs. Thomas Bush.

## Mrs. Ogle Fradd Is Hostess to WSCS Members

The regular meeting of the Union Chapel WSCS was held Wednesday afternoon at the home of Mrs. Ogle Fradd.

The opening hymn, "Wonderful Words of Life" was followed with Scripture reading by Mrs. Frank Green, and another hymn, "Jesus Is Calling" and prayer by Mrs. Clark Durlinger, president who conducted the business session.

The minutes of the last meeting were read and accepted and following roll call and a detailed report on a recent sale dinner was given by Mrs. Mayme Johnson which netted the society \$42.52. It was decided to hold a food market in the near future with Mrs. Eben Thomas and Mrs. Eugene Denen as co-chairmen. A short program was conducted by Mrs. Denen and she read an interesting story entitled "Her Prayer Was Answered".

The hymn, "Blest Be The Tie That Binds" closed the meeting.

During the social hour the members sang "Happy Birthday" to Mrs. Denen, whose natal day occurred Wednesday and the hostess served tempting refreshments. Mrs. Frank Green, was included as a guest.

## Mrs. Gene Miller Is Honored at Birthday Dinner

Mrs. Gene Miller of Cedarville, was honored on her birthday anniversary Tuesday when a small group of her close friends here motored over to compliment her in the evening at a three course steak dinner at the Old Mill Tea Room in Cedarville.

In addition to a beautifully decorated birthday cake, the decorations on the table were arrangements of begonia blossoms in pastel colors.

Mrs. Miller was presented with attractive gifts and later the group enjoyed "window shopping" in Springfield.

Those participating in the delightful event were Miss Christine Switzer, Miss Alice Davis, Mrs. Robert D. Miller, Mrs. Paul Thornhill and Mrs. George A. Robinson, Jr.

## Dewey To See Truman

NEW YORK, Sept. 13 —(P)—Gov. Thomas E. Dewey will fly to Washington today to report to President Truman on his recent 41,000-mile Far East tour.

The governor plans to see the president tomorrow noon.

Standard submarine cable weighs 19 tons to the mile.

## Personals

Mrs. Martin Gilmer daughter Maxine and Mrs. Everett Page were motoring visitors in Port Clinton Wednesday.

Mrs. William Klein, nee Lillian Teevens and small daughter Pamela arrived Thursday in Columbus by plane from their home in Los Angeles, California for a visit with her sister Mrs. George Ramsey and family in Columbus and her parents, Mr. and Mrs. Robert Teevens in this city.

Mrs. Albert S. Stemler, Mrs. Perse Harlow, Miss Dorothea Gaut and Miss Alberta Coffman motored to Athens Thursday morning where they will attend sessions Thursday and Friday at the Ohio Association of Garden Clubs state convention, held on the campus at Ohio University. They are members representing the Fayette Garden Club.

Mr. and Mrs. John A. Bock have returned from a vacation spent with Mrs. Bock's relatives in Park Ridge, Ill., while there they also visited interesting points in Chicago.

Mr. and Mrs. Clarence L. Snyder have returned from a week's visit with relatives and friends in McKeesport and Pittsburgh Pennsylvania.

Miss Lillian Barnes has arrived from her home in Rockledge, Florida and will spend the winter months with Mrs. John C. Cannon on the State Road.

## DAR Announces District Meeting

The South West District meeting of the Ohio Daughters of the American Revolution is to be held in Georgetown, Tuesday, September 18, with the Taliferro Chapter as hostesses.

Members of the Washington Court House Chapter planning to attend this important meeting are requested to make reservations with Mrs. Karl J. Kay, regent, by Saturday, September 15.

For a good-tasting luncheon dish arrange sliced hard-cooked eggs over fluffy rice, pour over a cheese sauce and top with bits of crisp bacon.

## Auxiliary Adopts New Bylaws At Meeting

The September meeting of the American Legion Auxiliary was held Wednesday evening in the Legion Hall. The meeting was opened in ritualistic form by the president Mrs. Howard Mace and it was announced that the Seventh District Conference would be held in Frankfort September 27 and members wishing to attend are to phone Mrs. Mace for reservations. Mrs. Richard Witherspoon membership chairman reported 103 members in good standing.

Fifty pounds of candy sent to Veterans' Hospital, Chillicothe was reported by Mrs. Charlene Malone, re-habilitation chairman, and plans were completed for the regular monthly visit to the Chillicothe Veterans' Hospital on Sept. 18. Mrs. Marie B. Williams, by-laws chairman read the new by-laws to the American constitution of the Auxiliary and after a lengthy discussion they were accepted. The meeting adjourned with the song, "God Bless America" by the group.

According to the fashion experts, teen-agers are more than ever favoring the shorter length evening dress. Above, a shorter fashion of flaming red Chantilly lace by Ira Rentner.

Slacks return to the fashion-fold for more comfortable casual moments at-home or away from home. Shown, slacks with a zipper adjustable waistline. Sleek by Esquire Sportswear.

## Sorority Plans Rushing Season At Meeting

A social meeting of the Epsilon Sigma Alpha Sorority was held at the home of the president Mrs. Gene Mark Wednesday evening.

During the brief business session four candidates were chosen for rushing.

The meeting was adjourned and the remainder of the evening was spent in playing canasta with

## William Horney Chapter DAR Holds Luncheon Meet In Springfield Wednesday

Twenty-five members of the William Horney Chapter Daughters of the American Revolution and five guests all of the Jeffersonville Community, motored to Springfield Wednesday for a luncheon meeting at the Pennsylvania House.

Miniature bouquets centered small tables seating the group for a most congenial luncheon and later the meeting presided over by Mrs. Harold W. Zimmerman regent opened in ritualistic form. Devotions were conducted by the Chaplain Mrs. R. N. Agle, followed with the Salute to the Flag and the singing of the last verse of America.

The minutes of the last meeting were read by the secretary, Mrs. Marvin Stockwell and the treasurer Mrs. A. E. Kemp reported a gratifying sum in the treasury.

Mrs. Frank Marshall, vice regent read the president general's message pertaining to the importance of Constitution Day. An interesting article entitled "What Is National Defense" was read by Mrs. Carroll H. Rittenour in the absence of the chairman, Mrs. Martin G. Morris.

It was announced that the

## Mrs. Fry Hostess To WSCS for Regular Meeting

Members of the Madison Mills WSCS met Wednesday afternoon at the home of Mrs. Forest Fry for the regular September meeting.

The opening hymn was "America The Beautiful" and the business session was presided over by Mrs. Glenn Hidy, president.

Mrs. H. W. Melvin devoted her address to her topic "The Earth Is The Lord's" and read an article on the subject.

The hymn "This Is My Father's World" was followed with prayer by Mrs. Melvin and Mrs. Florence Shobe read Scripture from the book of John another hymn, "Follow the Gleam" and a reading "Religion and Economics" by Mrs. Melvin. "God Is The Owner" by Mrs. Wayne Shobe, "Christian Labor Relations" by Mrs. Howard Clark, "Christian Consumer Relations" by Mrs. Birtis Thornton, "The Church and Us" by Mrs. Leland Dorn, a hymn "When I Survey The Wondrous Cross", and a reading "Meditation on the Cross" by Mrs. Melvin.

A reading "This Is My Father's World" by Mrs. Melvin and prayer closed the combined program and devotions.

Nineteen members responded to roll call and one new member Mrs. Lester Haines was welcomed to the society. A new promotion secretary, Mrs. Wayne Shobe was appointed by the president and each member was requested to bring a dish towel or clothing to the next meeting to be donated to the South Side Settlement House in Columbus.

The meeting was adjourned and during the social hour Mrs. Harold King assisted the hostess in the serving of a dainty refreshment course. The next meeting on October 3 will be held at the home of Mrs. Birch Lightle.

### Sugar Grove WCTU Meets At Roberts Home

The September meeting of the Sugar Grove WCTU was held Wednesday afternoon at the home of Miss Blanche Roberts.

Mrs. Frank E. Haines led in the impressive devotions, using as her subject "The Appreciation of God's Goodness," and closed with prayer.

Mrs. Earl Scott, president, conducted the business session during which the regular reports were given and the flower mission chairman reported twenty-four cards sent, ten calls made, seven donations of clothing, three and one-half bushels of fruit, three chickens and three packages of meat given and one dollar cash donation.

The program was built around the topic "Building For Total Abstinence Through The Schools" and the following articles were read: "Educate For Temperance" by Mrs. Leo Baughn; "Not Everything" by Mrs. Lydia Smith; "Share and Share Alike" by Mrs. Beryl Caviness; "Go To The Roots of Evil" by Mrs. Ralph Hays, and Mrs. Jean Nisley closed the program by reading a part of the address given by Mrs. Leigh Colvin, national president, at the WCTU national convention in Boston, Mass., on the topic "Wake Up, America."

The members enjoyed a social hour at the close of the meeting and were served a delicious refreshment course by the hostess.

Tibet's largest monastery has more than 3,000 monks.

### Sorority Meets At Allen Home

Members of the Gradale Sorority met at the home of Mrs. William C. Allen, Jr., after a summer recess and Mrs. John E. Rhoads, primus, presided over the business session.

New projects for the year were discussed and the standing committees gave their reports. Mrs. Donald Moore gave an interesting talk on the public school system.

Assisting Mrs. Allen as hostesses were Mrs. Langdon McCoy and Mrs. Richard Rankin, in the serving of light refreshments.

### Camp Fire Ceremonial Is Being Planned

October 7 has been chosen as a tentative date for the Camp Fire Girls organization of Washington C. H., for their ceremonial council fire at Washington Park at five o'clock in the evening.

They will be assisted by their leaders and the candle service will be held in connection with the awarding of honor beads. Group singing will be an added feature to the special event.

### Gasoline in Washer

CANTON, Sept. 13 —(AP)—Gasoline being used in washing machine for drycleaning clothes exploded in a house at nearby Fairhope yesterday and turned two women, one critically.

Mrs. Gilbert Everson, 40, was in Mercy Hospital here today, critically burned. Her mother, Mrs. Mary Devine, 77, suffered minor burns.

## WSCS Includes Families at Picnic Meeting

Mr. and Mrs. Esty Binegar and daughter, June, entertained the members of the Buena Vista WSCS and their families, numbering 58, at a delightful picnic Wednesday evening, and the delicious viands were served at long rustic tables on the spacious lawn.

Later the business session indoors was presided over by the president, Mrs. William Rockhold. Mrs. John Corzatt, chaplain, led in the devotions which included the hymn, "The Haven of Rest," prayer by Rev. I. F. Lee and Scripture reading from the 37th Psalm by the pastor, Joseph James, and the closing poem, "Talking To God," by Mrs. Corzatt.

The usual reports were heard and it was decided to have missionary discussions at the meetings during the coming months. Plans

were also discussed and completed for the annual chicken supper at the Township House on Oct. 10.

The monthly activities reported were 30 calls, 49 cards sent and one donation made. Eighteen members responded to roll call, and the program, in charge of Mrs. Edward Corzatt, was as follows: a piano duet, "Minuet in G" by Colleen and Betty Angus; a vocal duet "Whispering Hope" by Mrs. John Corzatt and Miss Irene Binegar; two poems "Chawin' Sweet Corn Off The Cob" by Mrs. Eddie Corzatt and "Missions" by Mrs. Marvin Johnson.

A contest at the close of the program was won by Mrs. William Rockhold. The October meeting will be held at the home of Mrs. John Corzatt.

## The Nation Today

By JAMES MARLOW  
WASHINGTON, Sept. 13—(AP)—Now the Republicans are squabbling among themselves about Secretary of State Acheson—praising and blaming—which is a break in the usual routine of united Republican attacks.

This probably leaves Acheson fairly cool. Long ago he had to learn to live under Republican criticism of the harshest kind, expecting few pleasant words from that direction.

While toughening his skin against the long barrage, of course, he may have become just a little more self-conscious, knowing that no matter what he did he might get a kick in his well-pressed pants.

This kind of self-consciousness in a secretary of state could have a lasting effect on history, although historians might never be able to point out when or where, for this is possible:

A man made self-conscious about his every decision, knowing each may be criticized, may lean over backwards to make pleasing decisions instead of the kind he'd make if his untroubled judgment was being used.

But the subject which brought about the present Republican squabble about Acheson is hardly more than academic: the way he handled the Japanese peace treaty conference at San Francisco and torpedoed Russian attempts to wreck it.

Two Republican senators—Knowland of California and Smith of New Jersey—who had been outspoken critics of Acheson paid tribute to his work at the conference.

This didn't sit well with another Republican, Senator Malone of Nevada, who sees trouble from the treaty and disaster from all of Acheson's dealings with China, past, present and future.

He said Acheson engineered a treaty which would mean the end of Nationalist China and the entry of Red China into the United Nations.

"Acheson," he said, "has been a party to everything that is now resulting in the loss of China."

But what made the Senate discussion about Acheson's work at San Francisco academic in the first place was this:

He did only what anyone in his position would have done if he had been secretary of state and had any sense at all: he shut up the Russians and rammed through the treaty.

If he hadn't done so, if he had let the Russians run with the ball, he would have looked inexcusably ridiculous, and for a good reason: the dice were loaded against the Russians before the conference began.

There is no doubt, as the nationwide TV audience could see for itself, that Acheson handled himself with quiet dignity, some wit, and a chilling firmness against the Russians when they tried to shoot off firecrackers.

But the real job of wrecking the Russian wrecking crew was done before the conference started. The U. S. had lined up enough Allies and friends, getting them to the conference and knowing they could be depended upon, to frustrate any Russian tricks when the conference got under way.

So the real job of handling the conference was done before it began. In this Acheson had to share honors with John Foster Dulles, the Republican who put the treaty together and worked it out with U. S. Allies.

When the conference started, Acheson had the score in front of him. All he had to do was blow the whistle on the Russians. They had to dance to the pre-arranged tune.

Whether this treaty in the end will mean bad news for the U. S., as Senator Malone seems to think, can't be forecast with certainty by anyone this early.

Being human, the Japanese will be on the lookout for the best way to feather their own nest, making their decision in the long run on that basis and not on whether it's good for us or the Communists.

## Bond Drive Gets Under Way Here

Goal of \$84,000 Set by Leaders

Richard P. Rankin, Fayette County defense bond chairman, today announced that the county has been given a quota of \$84,000 in series "E" bond purchases, for the drive which opened Labor Day and which closes October 27.

In announcing the quota, the volunteer chairman noted that this is the first defense bond drive.

He said that civic, service, fraternal and patriotic organizations throughout the entire state were promoting bond sales more actively during this drive than at any other time since the end of World War II. This promotion, according to the chairman, is the "backbone of the drive."

"We have several organizations working actively here to promote the purchase of extra bonds among their members," the chairman said, "but, perhaps even more important, are their efforts to step up the payroll savings plan in local business."

"We must not forsake any one field of potential bond sales for any other and whether bonds are more easily purchased directly through banks or post offices or through automatic payroll saving, we must do everything we can to make our quota," he added.

As usual, the drive will be marked by the display of posters and concentrated newspaper advertising and radio and television programs. The keynote for the drive is "defense" and the slogan is "Make Today Your D-Day. Buy Defense Bonds."

The savings bonds division, emphasizing "defense," recently disclosed that a Communist group in a "secret" meeting in New York had urged the disruption of the defense bond program as the greatest help to Communism.

"We cannot hope to come out of our present crisis if we do not take every possible step to make our country and our local communities economically strong," the chairman said. "I hope every resident of the county will get behind this drive not just for America's sake but for his own personal security and that of his family."

The U. S. flag has 13 horizontal stripes -- seven red and six white.

### Mrs. Gaie Denn Heads Foundation

Mrs. Gaie W. Denn has been appointed to represent the national foundation for infantile paralysis in the southern Ohio area, including Fayette County, it was announced today.

Mrs. Denn will cooperate with state, county and city health authorities in providing care and treatment for infantile paralysis patients in this area. She will also assist in coordinating activities of southern Ohio chapters of the national foundation with those of national headquarters in New York.

The state office of the national foundation from which Mrs. Denn will operate is at 40 South Third Street, Room 329, Columbus, 15.

### Two Men from Area Aboard Destroyer

Two men from the Washington C. H. area are both serving aboard the same ship in Korean waters.

They are Lt. Kenneth C. McKown, son of Mr. and Mrs. Harry McKown of near Greenfield, and Carl F. Orr, fireman, USN, son of Robert L. Orr of 528 High Street, Washington C. H.

Lt. McKown is the husband of

the former Miss Mary Lecapitaine of Green Bay, Wis., and Orr is the husband of the former Judy L. Kopenhauer of Landale, Calif.

Both men are serving with United Nations forces in the Korean area aboard the destroyer USS Perkins.

The Perkins, a unit of the 7th blockading and escort force, is a radar picket ship, used to detect enemy ships and foreign aircraft. The ship has been utilized on both Korean coasts, bombarding key enemy transportation and supply points.

### Glenn D. Pierce Now Sergeant in Korea

Glenn D. Pierce of near Washington C. H., has been promoted to sergeant for "excellent performance of duty" on the battlefield in Korea.

He is a member of Company C, 32nd "Queen's Own" Infantry Regiment, part of the 7th Infantry Division, which has been committed to combat in the latest outbreak of fighting.

Pierce's unit has fought from Pusan to the Manchurian border and on both coasts of the Korean peninsula in more than 10 months of campaigning.

### MAYOR RENOMINATED

HILLSBORO—Mayor Karl Doebele won the nomination for mayor in a three-way race on the Democratic ticket.

## Map of City Park Tract Is Completed

A topographical map of the tract of land the city purchased some two years ago, located north of the B. & O. Railroad and bounded on the north by Oakland Avenue and west by Millikan Avenue, has been completed.

It is one of the first steps toward having the plot properly platted by an expert, for playground and park purposes. The tract contains some 12 acres.

Bird and Teitzel, engineers, of Columbus, made the map, which City Manager W. W. Hill has forwarded to A. M. Husted, who is in charge of the Hamilton County Park Area, and an expert in laying out parks.

Husted, who has visited the tract here, will now proceed with laying out the land as it should be for best results as a playground and park area.

As soon as possible, Hill indicated, work of converting the land into a municipal playground will be launched.

The park area lies south of the swimming pool, and is readily accessible for playground purposes.

One of the worst features to contend with is the fact that whenever Paint Creek reaches flood stage, much of the land is inundated to a depth of several feet. This fact will be taken into consideration in platting the ground.

### Driver Is Fined On Three Counts

Shelton L. McNease, a Dayton man who was driving an automobile bearing Michigan license, was fined \$150 for driving while intoxicated, \$25 and costs for operating a motor vehicle without a title, and \$25 and costs for operating a motor vehicle without a driver's permit.

### HEARING AID WITHOUT DANGLING CORDS DESCRIBED IN NEW BOOKLET

Welcome news to women who are hard of hearing is the development of an electronic hearing aid that does away with the familiar cord running up the neck of the wearer. No showing button is required in the ear either.

The laboratories where this new hearing aid was perfected have recently published an explanation of the invention in booklet form. This booklet is free and for the benefit of the public.

According to the publishers, women can now wear strapless evening gowns even swim suits, without the hearing aid being visible. For the cause of no dangling wires.

In efficiency, this new electronic hearing aid is said to be superior to other types of aids, even those of the most modern sort.

The creators of this new achievement will be happy to send you—without cost—this new booklet. Better yet, you will be allowed a FREE home try-out! Just send a penny POST CARD—or phone ADams 3736—to Acousticon, Dept. C 211 Kregge Bldg., State & High Sts., Columbus, Ohio.

## A Day Worth Waiting For!

Standard equipment, accessories and trim illustrated are subject to change without notice.

There are but few times in a man's life when he gets a thrill that matches the one he gets when he takes delivery of his first Cadillac.

We've watched it happen many, many times—and it never ceases to be a heart-warming experience.

You see—a man isn't simply buying a motor car when he gets his first Cadillac. He is marking a milestone in his life.

For years, he has been saying to himself that, some day, he would step up to a Cadillac.

All this time, he has seen it as something he wanted to do for his family... and as a sort of personal reward for the effort and planning that have gone into his own work.

And when you watch him slide over behind the wheel

—well, it's a thrill just to be there. He's a proud and happy man as he turns the key in the ignition switch—and hears the deep-throated answer of the powerful engine.

If you are one who has been looking forward to a Cadillac—we think you would be well advised to come in and place your order now.

There's a little delay these days before a Cadillac can be delivered—and obviously, the sooner you place your order, the sooner you'll get your car.

And when the great day comes, you'll know at once that it was well worth waiting for—because all the things you've heard about a Cadillac are doubly true.

It isn't just a motor car. It's a wonderful contribution to a wonderful way of life!

## C of C To Watch Air Service Row

Eleven Ohio Cities To Plan Battle

There will be no representative from Washington C. H. at the meeting in Columbus Monday when the next step in a battle for local air service for half a dozen medium-large Ohio cities is mapped out.

But, the Chamber of Commerce here will keep an ear on the discussions and an eye on the outcome, C. E. McCarley, the executive secretary, said.

Most of the cities in the campaign for expanded air service are larger than Washington C. H. but smaller than the big metropolitan centers that now have airports.

The Chamber of Commerce here had an active and enthusiastic aviation committee when it was first reorganized nearly six years ago.

However, it was disbanded some time ago when its comprehensive surveys and investigations convinced the directors that it could find no practical need for air service here.

### Not Now...Perhaps Later

McCarley said "we (the Chamber) keep in close touch with aviation developments, but can see no reason to go out for air service now... perhaps things may change in the years ahead and if they do we'll be ready when the time comes."

There is a huge file of data on aviation and air service in the Chamber office that could be used as a starting point for any possible future developments.

Interest in air service reached its peak here during the immediate postwar period when an airport was established east of the city on the Circleville pike. There was much activity there for several months, but it eventually tapered off. Now the sod landing strips are now just plain farm land again.

For emergencies, McCarley said, there is a small airport at Sabina and a larger one at Chillicothe. Both provide charter plane service, and are available to Washington C. H. And, the big airports at Columbus, Dayton and Cincinnati are all within two hours by automobile or train from here.

### Fight CAB Report

Backed by the Ohio Aviation Board, the cities to be represented at the Monday meeting recommendation by a Civil Aeronautics Board (CAB) examiner which would prevent them from having local air service for an indefinite period.

The recommendation was made by Examiner R. Vernon Radcliffe in his report on a hearing held in Washington last February. The hearing concerned local air service in Ohio and Indiana.

Among the Ohio communities which would be denied some form of air passenger or mail service if Radcliffe's recommendations are approved by the CAB are Springfield, Marion, New Philadelphia, Dover, Sandusky and East Liverpool.

Most important feature of the case was an application by Lake Central Airlines of Indiana to furnish local air service to most of the above-named communities.

Lake Central proposed to extend its route eastward from Indianapolis to Columbus by way of Richmond, Ind., and Dayton and Springfield, O.

From Columbus, the airline proposes to establish branch routes to Detroit via Marion, Sandusky and Toledo; to Pittsburgh via Zanesville, New Philadelphia, Dover and East Liverpool, and to Youngstown via New Philadelphia-Dover and Akron-Canton.

Also at issue in the case is an application of Youngstown Airways, a new carrier, for an operating certificate between Youngstown and Columbus.

Radcliffe recommended that neither Lake Central Airlines or Youngstown Airways be granted permission to operate over any portion of the requested routes.

Generally speaking, he based his objections on the grounds there was not enough potential passenger traffic to justify the routes and the cost to the federal government in mail subsidies to the lines would be prohibitive.

There are 50,000 Indians in New Mexico.

## Forget-me-not Sale Planned Here Sept. 22

Disabled American War Veterans here today were putting the finishing touches on plans for the annual "Forget-me-not" sale to be held here Sept. 22.

The sale, said Eddie Sexton, will be similar to the Legion "Poppy Day" sales.

Dee Balla models a specially designed hat made of Forget-me-nots

As the spokesman for the DAV post here, Sexton explained that all the profits from the sale "stay right here at home" and, he added, "it goes only to disabled veterans."

The money goes for rehabilitation and service program for the wounded American fighting men.

The post is now in the final stages of setting up a women's auxiliary, one of the phases of the post reorganization processes.

The sale, Sexton said, would be handled by members of the auxiliary and by disabled veterans,

members of the DAV post here, themselves.

The "Forget-me-nots" are made by disabled veterans still in government hospitals for treatment of the handicaps they received in the service of their country.

Sexton emphasized that disabled veterans of the fighting in Korea are included in the DAV's service program.

## State Patrol Recruits Are Being Sought

Residents of this community who have aspirations for becoming Ohio State Highway Patrolmen can now have the opportunity to do so.

Applications are being received for enrolling recruits in the 34th training school, scheduled to open in December.

Immediate appointments to the position of patrolman will be given graduates of the school, which will be conducted in Columbus for 10 weeks.

Applications blanks and complete information concerning the jobs may be obtained at the Wilmington State Patrol post.

Corporal D. L. Osborn, officer in charge, stated that only those applications received within the next few weeks could be processed for the December school.

In view of this, Corporal Osborn urges those who are interested in law enforcement as a career, to contact the patrol post at their earliest convenience.

Minimum requirements for new patrolmen are: 21 to 35 years of age, American citizenship, resident of Ohio, high school education or equivalent scholastic training, minimum height and weight of 5 ft. 8 inches and 165 pounds, respectively.

Patrol recruits are paid \$164 per month while in training. Uniforms, quarters and meals are furnished.

After completion of the training period patrolmen are paid a beginning salary of \$300.00 per month and advanced to \$360 per month at the termination of five years service.

## Another Spanish War Veteran Turned Up in Fayette County

John Kneisley, veteran of Spanish American War. (R-H photo)

Another Spanish War veteran has been turned up, and one has died since the Record-Herald carried a story about two men who were believed to be the last two surviving veterans of that struggle.

John Kneisley, 74, of Good Hope is the latest Spanish War veteran to be turned up. He claims that he knows about still another veteran who resides in this county.

When interviewed last July, neither Ramie Clemens, 79, nor Adam Krebs, 75, who died last week, recalled that Kneisley too was a veteran of the Spanish-American War, which took place around the turn of the century.

Kneisley, though, is in fairly good health; he uses a cane but he walks sprightly for a man of 74 years, and his memory is good.

went over to the islands, only 34 returned to the mainland--San Francisco--when the war ended. Kneisley says disease was one of the chief killers in the jungle warfare. His brother died of dysentery 35 years ago, and Kneisley still has a fungus which he picked up in the Philippines 50 years ago.

One general whom Kneisley had a high regard while serving in the Philippines for two years and a month was Gen. Arthur MacArthur, the father of Gen. Douglas MacArthur.

After his return from the Philippines, Kneisley was located in Skagway, Alaska on a mission which still has him wondering.

"All we had to do there was hold down some drunken Canuks (Canadians)," Kneisley said.

Kneisley enlisted in the Army at Portsmouth for a three-year hitch Jan. 10, 1900 and was discharged Jan. 9, 1903.

Three years of service was enough for him too. He said there is nothing in the military for a

man who has ambition and seeks all his freedoms.

Married to the former Sylvia Free, he scraped enough money together to buy a farm, and farmed in the Good Hope community for several years. The Kneisleys, who are now retired, have two grown sons and two grown daughters.

### NCR Has Golf Course

DAYTON, Sept. 13 —(P)—Employees of the National Cash Register Co. are going to have a 250-acre golf course and country club. S. C. Allyn, president, announced the project yesterday. He said the company hopes to get both built by 1953.

## Alcoholics Anonymous Are To Hold 28-County Meeting Here on Sunday

Members of Alcoholics Anonymous in Washington C. H. today were getting ready to play host at a 28-county meeting in Memorial Hall here next Sunday. The meeting is scheduled to get under way at 2:30 P. M.

The purpose of the meeting, the announcement said, "are to provide an opportunity for anyone interested to make contact with Alcoholics Anonymous and to promote better acquaintance among the members in this section of Ohio."

A spokesman for the group here said more than 200 were expected to come to the meeting. Most of them will be from the 28 counties in the southern part of the state.

Clergymen, physicians, welfare workers, law enforcement officers and other public officials have been or will be invited, the spokesman said. He explained that "we want them to get a better understanding of the A. A. program through a close-up view of a meeting."

"We have had wonderful cooperation from the city police and municipal authorities," he said and added that "in many cases alcoholics have been put on the right course that prevented the break-up of families. This cooperation often has accomplished more good through rehabilitation than fines and prison terms could ever have done."

### No Names Mentioned

Since the organization lives up to its name "Anonymous," no

names are mentioned and no definite figures are given. However, it is known that the group here has somewhere between 30 and 50 active members who stick to the straight and narrow path through the fellowship and moral support of fellow members. They include both men and women.

Speakers at next Sunday's meeting it was said will outline the simple program "which has restored thousands or seemingly hopeless persons to useful, happy living."

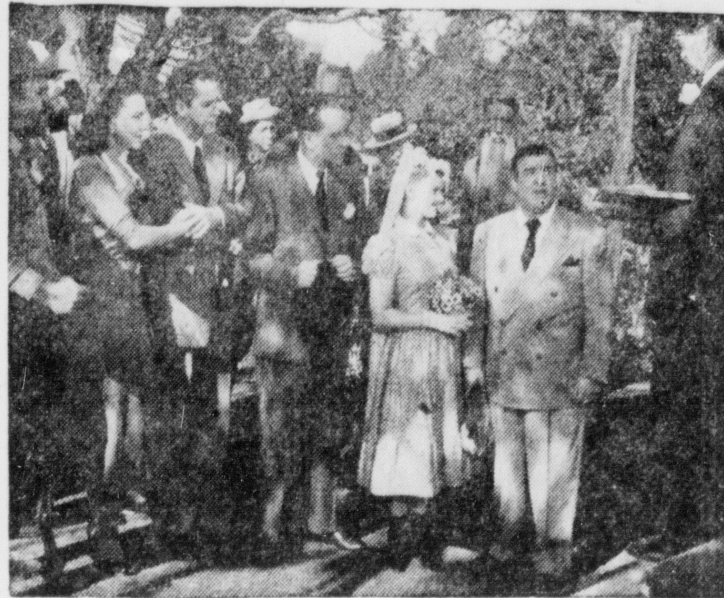

After the meeting, soft drinks, coffee and sandwiches will be served at a social get-together.

Alcoholics Anonymous maintains a modest headquarters at Columbus to handle details for the Central Ohio Group Fellowship. The organization, however, is kept intact not by dues but by free-will offerings. The members rotate leadership, thus minimizing possibilities of domination or control by any individual or fraction

### 'Rest Home' Policies

Several members of the group here were admittedly disturbed by disclosures at a home for alcoholics in Columbus. In a formal statement from the Columbus A. A. headquarters through the Washington C. H. group, all connection with the "rest home" investigated by the police was emphatically denied. The statement said:

"Alcoholics Anonymous does not sponsor any Alcoholic Rest Home. One of the traditions of Alcoholics Anonymous reads 'A. A. does not endorse, finance or

lend the A. A. name to any related facility or outside enterprise."

"These establishments are operated by individuals or cooperative owners and A. A. does not participate in their management or policy."

"Members of A. A., as individuals have hospitalized patients in rest homes. This has been necessary because beds for Alcoholics were not available in regular hospitals."

"Patients so hospitalized are not undergoing A. A. treatment. They are being brought to a condition of physical sobriety so that they may understand the A. A. program."

"The usual procedure is a physical drying out for five days. At the end of this period, the patient is discharged from the home and Alcoholics Anonymous takes over, with its program of recovery."

### Chardon Snow Heaviest

CHARDON, Sept. 13 —(P)—Annual weather bureau reports just released on snowfall show Chardon recorded a heavier fall last winter than any other station in the state. The amount was 140 inches. Painesville was second with 99.1.

## Western Horse Show To Be Held Here at Fairground Sept. 23

Plans for a western horse show at the Fairground here Sunday, Sept. 23, today were taking form under the guidance of the Washington Round-up Riders, the successor to the Washington Riding Club.

This is to be the second annual western horse show here sponsored by the Round-up Riders.

The show is to begin at 1 P. M. and is to include 15 events of western-style riding, roping and horsemanship. It will be staged in the grandstand area.

Horses and riders from throughout Ohio and adjoining states, as well as a number of local horses and riders, are expected to participate.

The western horse show, which

has become increasingly popular with the general public in recent years throughout the midwest, dates back to the early days of the old west. Following the fall round-up on the range, cowhands from a number of ranches gathered to take part in contests of the roping and riding and horsemanship employed in the everyday chores of the open range country.

This friendly competition, through the years, grew in popularity not only with the cowhands but with the people of the vicinity who gathered just to watch.

In recent years the western horse show and rodeo held at Cheyenne, Wyo., has become an annual event lasting for several

# Don't Forget! Football Is Just a Sport by and for the Kids

By FRITZ HOWELL  
COLUMBUS, Sept. 13.—(AP)—Ohio opens its 1951 high school football season tomorrow!

Some 575 teams—20,000 youngsters—will be in the field. Attendance will soar into the millions. It's the Buckeye realm's biggest and most colorful athletic show.

Before the curtain rises, we'd like to have our usual pre-season chat with the kids, the coaches, the fans and the officials. Just a sort of open letter to one and all, including your boy and mine.

THERE'S NOT MUCH to say to the players, except to pat 'em on the back. It takes nerve, and plenty of it, just to put on a uniform and get out there. Fans know little of the long practice grinds, the bumps and bruises absorbed, as the kids get set for the weekend spectacles. There is nothing wrong with our boys, unless you think it's wrong to make an all-out effort in an intense desire to win.

To the coaches, we'd like to offer only the comment that to the players the coach is king; that he probably has as much influence over the future of a boy as the parents have; that it's his duty to teach hard, rugged, clean football, and how to take both victory and defeat like men and gentlemen.

To the fans—both the booster club adults and the student bodies—we'd suggest they learn to take a loss with the same graciousness that they take victory; that they realize few teams and coaches win 'em all; that players must not be criticized for fumbling or missing a block or tackle; that youngsters have a lot of life to live after their playing days, and the lessons they learn in losing may help later in the grim game of life.

THE BIGGEST BOOSTER club function, as we see it, is to make important the things the kids do—win or lose. There is no finer investment a community can make than in the future of its own youth, and an ill-timed or uncalled-for criticism might wreck that investment.

The fans must learn that dropping the big game, or having a poor won-lost season, is no excuse for firing a coach. Before jumping on the grid tutor, it might be well to have a chat with his players. He may not be a "win 'em all" coach, but there's a good chance the kids adore him and that he's the kind of guy you want to keep around your town.

To the officials, like the kids, we offer only a friendly pat and a suggestion that they go on calling them as they have been—impartially and with absolutely no interest in who wins or loses.

And to everyone, let's remember that football is just a sport, a great training ground, and that for every winner there must be a loser. Of the 575 scholastic teams, probably no more than a dozen will go "clean"—and the chances are they can't do it again in 1952.

It might be well, as the season opens, to remember the remark made by Gen. Douglas MacArthur

## Kenny Robinett Shines as Hitter During First Year in Pro Baseball

Kenny Robinett, who this time last year was in Washington C. H. High School with his mind on basketball and baseball, today is barnstorming through Indiana after finishing the baseball season with the Vincennes, Ind., team of the St. Louis Browns farm system.

But, the season's end and the barnstorming are only sidelights of the story of Kenny Robinett. The highlight is that the slim dark haired 18-year-old son of Mr. and Mrs. Lawrence Robinett, 431 Rose Avenue, climbed into second place in the team's batting list with an average of .324 at the last check near the windup.

He was topped only by the manager, Bob Signaigo, who had a .326 average. Kenny had played in only 49 games after joining the Vels; Signaigo had played in 99 when the averages were struck.

By way of explanation: Any batting average better than .300 is extra good—only three on the Vincennes team did it.

In his 49 games, Kenny was officially at bat 136 times and got 44 hits. Eight of those hits were triples and three were doubles. He got no home runs, but he crossed the plate to score 19 times himself and was credited with batting in 15 tallies.

THOSE STATISTICS merely support the faith baseball fans here had in Kenny and their conviction that nothing ruffles the deliberate youngster. They show that he can come through in the pinches. Carl Noon, who has been a baseball player and fan since long before Kenny was born, said:

Incidentally, Noon thinks Kenny "has a good chance to get somewhere" in his chosen career.

In high school here, Kenny went in for both basketball and baseball. Not brilliant on the basketball court, he was a steady influence always. However, the records show that he did get "hot" at scoring more than a few times.

Baseball was his first love. He pitched and played first base for the Lion diamond crew—and, oddly enough, it was his pitching that attracted most attention.

When he was bought by the Dayton Indians, he was immediately tabbed for first base on the recommendation of the scouts who had spotted him here for his timely hitting. That was the end of his pitching.

He did not play with the Indians, but was sent right on to Vincennes and soon became the regular first sacker. He clinched the

while he was superintendent at West Point.

"Upon the fields of friendly strife are sown the seeds which, in other days on other fields, will bear the fruits of victory."

job with fast, clean fielding and consistent hitting.

Next year, he is slated to take another step upward along the long road that has the big leagues (National and American) at the end.

A deal was made some time ago for him to play with the Aberdeen, S. D., team next summer.

His mother said: "We heard from him just a couple of days ago but he didn't say much about

his plans. But, we're expecting him in any day now."

After spending the winter here, he is to report to Aberdeen in the spring.

ANOTHER BOY FROM this community also has been with the Vincennes club this past summer. He is George Smith of South Solon.

He travelled a route that al-

most parallels that taken by his fellow Ohioan.

George is a pitcher, just like he was in high school. The latest records on his performance show he had been in 20 games up to that time (less than a month ago) and had been nipped for 109 hits and 82 runs.

Indications are that he was used mostly in relief roles, for in the 20 games he pitched only 95 innings. He registered 58 strikeouts which offset, to a sizeable degree, the number of hits he gave up. He was given credit for winning two and losing eight games, and that's just half the number in which he took part.

## Economic Pressure Is Clamped on Iran

TEHRAN, Iran, Sept. 13.—(AP)—Oil-rich Iran is being squeezed through an economic wringer because she cannot sell her nationalized petroleum and Britain is beginning to turn the crank with new financial curbs.

The workman, the peasant and the man on the government financial experts fear an economic crisis early next year because of the loss of oil revenues, royalties, payrolls and taxes.

## Crown Regained By Sugar Ray

Fight Is Stopped  
With Turpin Groggy

By GAYLE TALBOT  
NEW YORK, Sept. 13.—(AP)—Sugar Ray Robinson was middle-weight champion of the world again today after having fought perhaps the greatest battle of his career in stopping Randy Turpin of England in the 10th round of a savage brawl at the Polo Grounds.

Two months and two days after he had lost the crown to the 23-year-old Briton in London, the pride of Harlem came back, bloody and tired, to unleash an onslaught which beat Turpin to the verge of insensibility and forced Referee Ruby Goldstein to spare the short-time title holder further punishment with only eight seconds to go in the pulse stirring 10th round last night.

Robinson weighed 157½ pounds, to 159 for Turpin. The bout was scheduled for 15 rounds.

The contest attracted the largest crowd ever to witness a fight in this country outside the heavy-weight division—61,370.

When all of the returns are in Robinson is expected to pick up about \$240,000, his richest purse for his 30-minute workout and Turpin about \$200,000.

**TURPIN, A GAMESTER** and a very fine fighter, thought he should have been permitted to finish that final, desperate round, weather a few more of Sugar Ray's lethal bombs, take his rest and come out for the 11th round.

"I was perfectly keen," Turpin said. "There were only eight seconds to go in the round and I was covering up. I heard the count clearly and you notice I got up well before it was finished."

Robinson said he didn't want to take any chances with the referee stopping the fight after his left eyebrow had been cut.

"It was do or die," said Sugar Ray, "he hurt me several times but not in the tenth."

But before disaster struck him, what a fight the young man from old England had put up.

Until that instant when he brought an early shaking bellow from the great crowd by downing Turpin in the 10th, Sugar Ray had done no better, in this reporter's opinion, than break even against the rugged, powerful young "booth fighter" from England's carnivals.

Turpin had started slowly and gradually had gathered his strength until, just before the end, it appeared he almost certainly would grind Robinson down.

## Lions Set for Opener At Columbus Friday After Long, Hard Grind

Well, it's all over but the shouting now.

The Lions of WHS today had finished their pre-season preparations and were ready to go to Columbus for their 1951 football opening against the boys of Linden-McKinley High School.

They have been hard at work getting ready for the big debut for more than two months. First, they gathered on their own volition at Gardner Park to start working on the fundamentals to get into tough physical condition. Then, just about a month ago, Coach Fred Pierson and his first assistant, Coach Curt Koons, stepped in and took over officially.

Bill Campbell and Dick O'Brien, both former Lions now in college, supervised and directed the preparatory workouts.

Neither Pierson nor Koons went near the field of activity, but when they moved in they said the Lions were "in fine shape." Koons, admitted amazement over their condition and said "you just couldn't believe the kids would have done so much all on their own." The coaches said they thought the pre-season workouts had put them a week or two ahead on the practice schedule.

**NOW ALL THAT IS HISTORY.** From now on, the Lions and their coaches will settle down to the grim business of playing football—with the starter at Linden-McKinley Friday night.

The last honest-to-goodness workout Wednesday afternoon was devoted largely to shaping up the WHS defense.

Fearing an aerial attack, that looked pretty smooth to Coach Harry Townsend when he scouted the preweek a week ago in Columbus, the Lions backfield was put through a stiff drill on a pass defense.

The line, as individuals and as a unit, went through defensive maneuvers for the anticipated running attack.

Both Pierson and Koons expressed confidence that the timing of the Lions had improved considerably. In fact, neither showed any evidence of worry on that score.

Added to that, they were almost jubilant over the blocking, especially that downfield interference that is so important to those long TD jaunts.

**THERE WAS ONE CLOUD** over the WHS camp as the Lions got ready for their opener. Joe Wilson, the husky tackle and end on whom the boys in blue and white had counted heavily, is in the hospital with an arm injury. He may be out in time to accompany the team to the first game, but probably won't get into the fray for some time yet. Dick Tracey, Bob Alkire's understudy at quarterback, also is still out with injuries.

On the brighter side, Bob Gidding, a hefty lineman, is back and ready after being sidelined with a back injury for some time.

And, how do the coaches feel about the outcome?

Only male fireflies can fly.

Pierson evaded a direct win-or-lose answer as he said with a broad grin: "We're going to try to win all of 'em."

Last year, when the two teams met here in the opener, the Lions won 31 to 6.

## Sabina Eliminated From Tournament

WILMINGTON, Sept. 13.—(AP)—Ed Volkerding pitched a one-hit shut-out last night as his Lowenstein Furniture team from Hamilton eliminated the Sabina VFW from the Wilmington invitation softball tournament 5 to 0.

In other games, Doc's Place, Greenfield, defeated Irwin Augerbit, Wilmington, 4-1, and Curly's Trailers, Springfield, beat the Wilmington Casting Co., 6-5.

## Reds Beat Bums And Help Giants

Indians Confident  
With Slight Lead

By JOE REICHLER  
(By The Associated Press)

Managers Al Lopez of Cleveland and Casey Stengel of New York, recovered from Tuesday's ordeal at the hands of revenge-bent second divisioners, were beating their chests today and all but predicting the American League pennant.

Lopez, who spent yesterday's off-day playing 18 holes of golf, was especially confident as his Indians moved on to Washington for a night affair.

"Naturally, I hated to lose the second game in Philadelphia," he said. "But I'm not kicking. We're in first place and we all feel we're there to stay."

Sengel, who admitted the Yankees "were awful" in dropping both ends of a doubleheader to the tail-end Browns Tuesday, predicted his team would regain the lead.

**IN THE ONLY OTHER** American League game, Chicago's White Sox blanked the Senators, 3-0.

The New York Giants' flag hopes were kept alive when Cincinnati slapped a 6-3 defeat upon the National League leader Brooklyn Dodgers. The loss cut the Brook's margin over the Giants to five and a half games.

The Giants were rained out of their scheduled game in St. Louis and will play the game off this afternoon. It is the final game of the year between the two clubs.

Walker Cooper blasted homers Nos. 17 and 18 and batted in five runs to lead the Braves to a 7-3 victory over the Chicago Cubs.

Ralph Kiner hammered his 39th home run and added two singles to account for four RBI's and lead

## Sheriffs and Police Chiefs Hold Meeting

Interesting Sessions Held at Country Club in this City

The Southwestern Ohio Sheriffs and Police Chiefs Association met at the Washington Country Club Wednesday for two sessions.

Fifty-two officers and guests attended the meeting, which was the largest ever held by the association.

A business session was held in the afternoon at which various matters pertaining to law enforcement were discussed generally.

A delicious dinner was served at 6 P. M., and the after-dinner session lasted until 10 P. M.

City Manager W. W. Hill delivered the chief address at the meeting, talking on law enforcement and the responsibility of the enforcement officers generally. He also spoke of the stand taken by the state and federal governments in connection with law enforcement.

Police Court Justice Richard R. Willis and Sheriff Charles Radcliff of Pickaway County, as well as members of the FBI, also spoke briefly.

Sheriff Charles Walkie of Miami County, president of the organization, presided at the meeting.

Arrangements for the meeting were made by Sheriff Orland Hays, who was complimented for the thorough manner which he has done his work.

## Ancient Car Race

(Continued from Page One)  
dispatched to see what they could do about a pesky rim that pinches his tires.

Brause's boiler kicked up a fuss just this side of Toledo, but after a nine-minute workout with the hose lines he had it steaming again.

Later on, a cop drove up in Lorain, O., and waved him to the curb in a pre-arranged stunt. It seemed, the cop said, trying to conceal a smile, that the Steamer was doing 26-miles-an-hour in a 25-mile zone.

Brause pocketed a ticket telling him to appear before the mayor or on his next trip to Lorain and drove on.

The two hope to reach Buffalo, 191 miles away, tonight and New York Sunday or Monday.

## Money from State

(Continued from Page One)  
the city's portion, the auditor plans to turn over to the health board, the following amounts from the various districts: Bloomington \$100; Jeffersonville \$150; Milledgeville \$50 and \$75 to each township.

Allocations made include \$485.54 to each township; Bloomington, \$2,488; Jeffersonville \$2,500; Milledgeville \$654; Octa \$300. The sums set aside for the board of Health are included in amounts for the various taxing districts.

The total amount allocated to the city this year reaches the \$26,750, compared with \$23,500 last year, Acton said.

For the first six months this year the distribution of local government funds was made as follows:

Bloomington \$1,188.00  
Jeffersonville \$2,142.00  
Milledgeville \$604.80  
Octa \$300.00  
Washington C. H. \$8,660.70  
Townships \$2,925.00  
County none

The local government funds come from sales tax and tax on financial institutions.

City Manager W. W. Hill said the city's portion of the fund would go into the general fund for general operating expenses. He pointed out that the police or fire department costs now greatly exceed the amount received for local government during the last six months of the year.

## County Courts

### ALIMONY ASKED

In a case filed in common pleas court, Virginia Snyder asks alimony from David Snyder, to whom she was married in Bellefontaine, May 3, 1941. Gross neglect of duty is charged by the plaintiff, who asks alimony for herself and three children. Otis B. Core represents the plaintiff.

### WANTS ALIMONY

Alimony is asked by Leola C. McClaskie from Charles McClaskie, in an action in common pleas court. The plaintiff, who is represented by Richard Rankin, states in her petition that she was married to the defendant in Maysville, Ky., July 29, 1939, and they have two children. Gross neglect of duty is charged.

A restraining order was issued by the court to prevent defendant from withdrawing funds from the bank at Jeffersonville, and incurring or disposing of property.

DISTRIBUTION ORDERED  
Distribution of funds in the Drusilla Emma Wahn estate has been ordered by the Probate Court.

NO ADMINISTRATION  
The Adam Krebs estate has been relieved of administration, and distribution of property has been approved by the probate court.

The John L. Stepter estate also has been relieved of administration.

## Woman Cuts Hand On Corn Picker

Mrs. Sigel Herman had the end of the index finger of her right hand taken off, and she received cuts and bruises on the back of her hand Thursday morning about 10 o'clock, when the hand was caught in the belt of a corn picker.

She was working with her husband attempting to remove a weed which had become lodged in the machine, when the mishap occurred.

The Hermans were working on a farm owned by Ralph Penn, located about four miles north of Bloomington.

## Gypsies Chased Out of County

A caravan of gypsies was chased out of the county Wednesday afternoon by Deputy Sheriff Roy Underwood, who saw that they were taken safely across to the Clinton County line. He notified the Clinton County sheriff of their presence.

As soon as the presence of the gypsies was known, the sheriff's office got busy in seeing that they did not stop in the county.

## Black Market Ring

(Continued from Page One)  
and U. S. treasury checks to Chinese merchants at 25 percent profit.

Manila police on May 28, 1950, arrested four U. S. veterans. They were accused of being key figures in the ring specializing in raising U. S. treasury checks. One had been boosted from \$1.37 to \$1,374.44.

The four were identified as Charles Clarence, 46, San Francisco; James Hanley, 25, Akron, Ohio; Walter E. Mason, 25, Fort Wayne, Ind., and Carlos Moore Turner, 25, of Florida.

But the illegal operation continued.

On Sept. 1 all treasury checks sent to Filipino residents were stamped "Payable only at National City Bank in Manila."

The United States in the same month declared an embargo on war materiel passing through Hong Kong.

## Man Arrested At Fire Scene

Draws Workhouse Sentence Here

Sheriff Orland Hays arrested Charles Shelman, 26, at the scene of the Fayette Drive-in fire on the Columbus Road Thursday morning and turned him over to the police here, who had been looking for him on a reckless operation charge.

In police court Thursday Justice Richard R. Willis fined him \$100 and costs and invoked a 97-day workhouse sentence, which had been suspended in a previous case in which Shelman was involved.

Shelman is being held here until Friday. The state patrol announced charges would be filed against him for improper registration of his automobile.

Sheriff Hays said that Shelman was also wanted in Greenfield.

He will be taken to the workhouse this week, it was indicated.

## Residents Are Asked to Help Flood Victims

An urgent appeal for blankets and clothing was sent out by the Dorcas Society of the Seventh Day Adventist Church on Broadway Street in Washington C. H. today.

Mrs. Della Ford, president of the Seventh Day Adventist Church society, said that such items as blankets, sheets, pillows, slips, bed spreads, towels and clothing were needed to relieve the victims of the second flood to strike Kansas.

She suggested that those persons here who have any of the items to call Mrs. Nellie Christy at 49812 and Mrs. Unice Wilt at 52423 to make arrangements for the pickups.

A letter sent to Mrs. Ford by George W. Liscombe, an official in the Dorcas Society, advised urgent action on the sending of the needed articles.

Mrs. Ford said the church already has prepared about a dozen parcels, mostly of clothing, to send to the flood victims.

## Salvation Army Truck To Be in Jeff Friday

So many calls have been received for Thursday pickups of used clothing and household items in Washington C. H. that the Salvation Army truck will be unable to make stops in Jeffersonville until Friday. This was reported today by Mrs. W. E. Roberts, who receives calls here to arrange for the stops. Originally, the Salvation Army truck had planned to stop in both Jeffersonville and Washington C. H. on Thursday. Those who want the truck to stop in Jeffersonville at their homes should call Mrs. Roberts at 22091.

## Temperature Rises To 90 Wednesday

Once more the mercury climbed to 90 degrees, Wednesday, causing general discomfort. Thursday's peak was expected to be near the same mark.

Wednesday night was one of the warmest of the entire season, with a minimum of 70 degrees registered.

At 8 o'clock Thursday morning the reading was 73 degrees, and the forecast was for continued warm and thundershowers.

## Three Permits for New Homes Are Issued Here

Building permits for the construction of three homes in Washington C. H. for a total of \$17,400 have been issued thus far this month. Permits were issued for the following homes: five room dwelling costing \$6,400 to J. W. Blair on McLean Street; five-room dwelling to Arthur Pyley for construction at the corner of South North and Elm Streets, and home on lot six, Graves Addition for \$4,500.

on recipes, their backgrounds and interviews.

All these factors are tallied toward the final point winner, he said.

Judges Eileen Wilson and Mrs. Maggie Johnson, TV stars, and radio celebrity Barbara Barnes had sided with Corey.

"From talking to the rest of the judges, we now know that 23 of the 24 judges voted for Mrs. Central Florida, yet Mrs. New York City was announced the winner," Corey said Monday.

But joining Patterson in announcing they had no quarrel with the method of selection in the contest were band leader Sammy Kaye and Eddie Senz, former head of the 20th Century Fox's makeup department.

"I think the contest was conducted fairly and the overall program one of the most entertaining I have ever witnessed. I should like to put a bid in right now to be a judge at next year's Mrs. America contest," Kaye said.

Senz said it was made clear the judging was to be made on four different things—not beauty alone. "I feel hurt that one judge should stand up and say anything that might discredit the honesty of the other judges or the committee in general."

Mayor George A. Smock, 2nd., of Asbury Park, which has been host to the contest for the past three years, said the city just provided facilities and accommodations to the contest and is not involved in the contest selections.

## John Pursley Rites Held at Residence

Funeral services for John Pursley were held at 2 P. M. Wednesday at his residence on the Marchant-Luttrell Road near Milledgeville.

Rev. John Packett, who was in charge, read the Scripture, read an obituary, offered prayer, delivered the sermon and read the two hymns, "Beyond the Sunset" and "Lead Me Gently Home, Father."

Burial was made in the Milledgeville-Plymouth Cemetery. Flowers were cared for by the pallbearers who were: Charles David McCloskey, Tully Coin, Earl Pursley, Ronald McCloskey, Joe Bartos and Albert Pursley.

The Parrett Funeral Home was in charge of the funeral arrangements.

## Budget Committee

Okays Nine Agencies

The Community Chest budget committee put its stamp of approval on the budgets and financing of Chest agencies at a meeting held Wednesday night at the National Cash Register Plant.

In charge of the budget committee was chairman Joe Peters, the meeting was held for the purpose of examining the records of the agencies and determining whether the agencies should be approved for participation in the Chest benefits.

Those agencies approved were as follows: Salvation Army, Mental Health Association, YWCA-Y Teen group, 4-H Camp, Boy Scouts, Fayette County Ministerial Association, Camp Fire Girls, Community Activity Fund and United Defense Fund.

The board of directors of the Community Chest will discuss the participation of the agencies in the Community Chest benefits at its next meeting next Monday. The board will set the campaign goal for the drive, to be held from Oct. 15-20.

Six Arrested  
Police made six arrests over Wednesday, and five of these were for intoxication.

Clarence D. Hodgson, Wilmington, posted \$10 for running a red light on Clinton Avenue at Oakland Avenue.
